# TINTIN AU CONGO

Plusieurs jours ont passé...

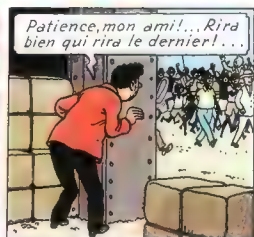

Et voilà l'Afrique, mon brave Milou...

Ti vois ce grand bateau,  
Boule de neige?... Eh  
bien, ça y en a Tintin et  
Milou sur ce bateau...

Patience, mon ami!... Rira  
bien qui rira le dernier!...

Et le soir, à l'hôtel...

A présent, Milou, il est temps d'aller dormir.

sa, c'est une idée!

Maintenant que nous sommes de nouveau sur le plancher des vaches, je sens que je vais ronfler comme une marmotte.

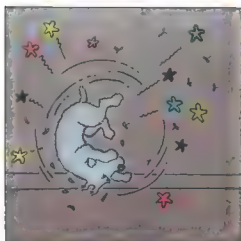

Oh! Oh! des moustiques...

Heureusement, chacun sait que les moustiques ne piquent pas les chiens...

WOUAAAAAAAH!

...mais on dirait que les moustiques, eux, ne le savent pas!

WOUAAAAAAH!

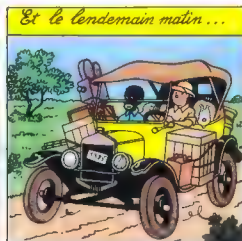

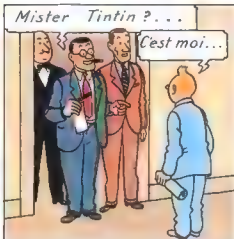

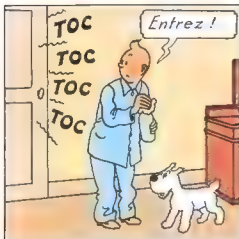

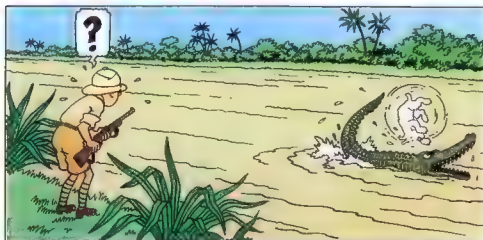

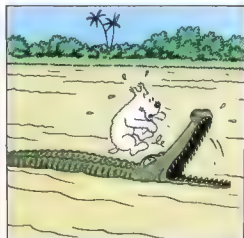

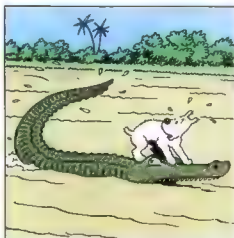

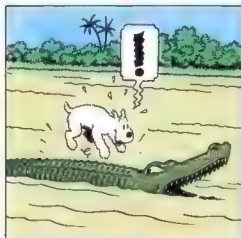

Le lendemain matin...

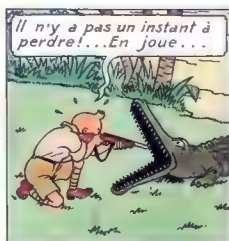

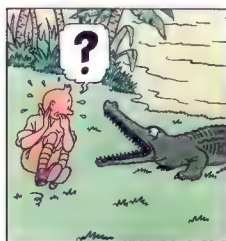

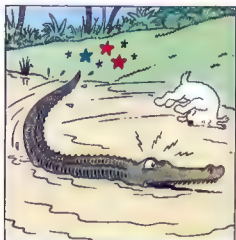

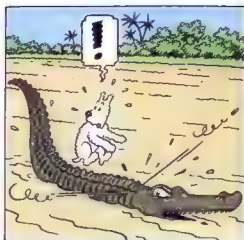

Eh bien, Milou, tu as passé une bonne nuit?

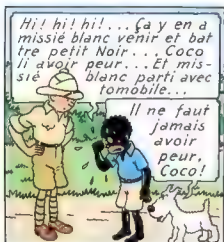

Oh! mon pauvre vieux Milou! comme te voilà arrangé!... Voilà ce qui arrive lorsqu'on dort sans moustiquaire!... Nous allons tout de suite te soigner...

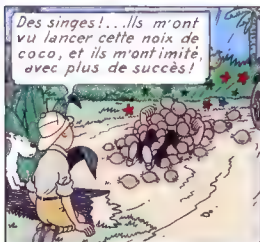

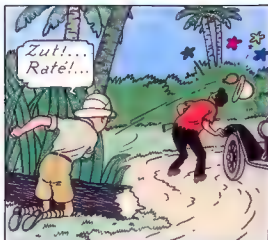

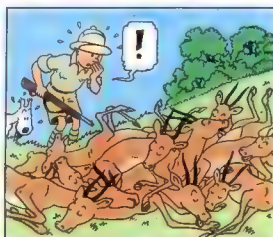

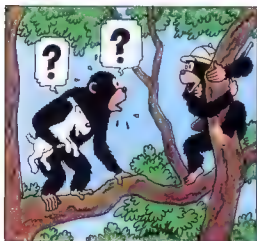

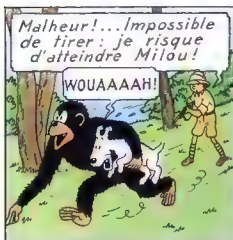

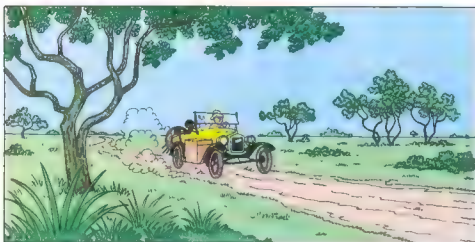

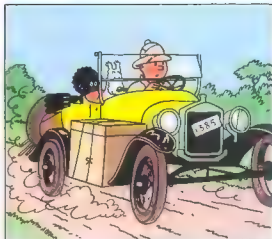

*Le lendemain matin...*

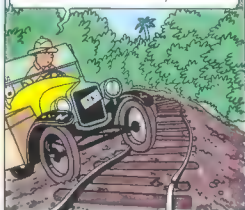

Missiè!... Missiè!... Li prisonnier li parli!...

Bah, tant pis!... Laissons-le courir, et continuons notre route.

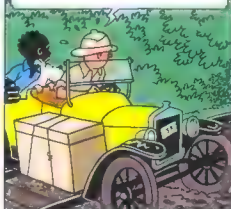

Tiens, une voie ferrée...

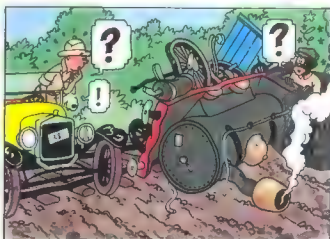

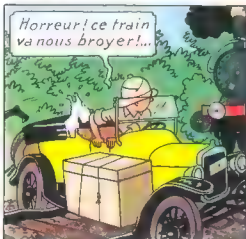

Eh bien, quoi?... Que se passe-t-il?... Impossible de franchir ce rail...

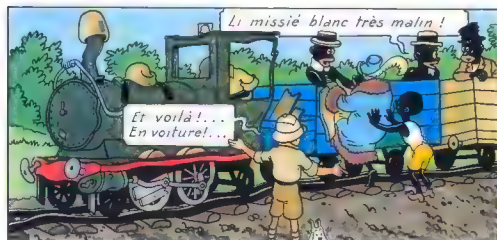

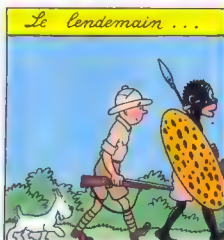

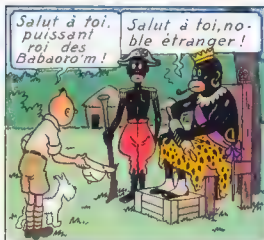

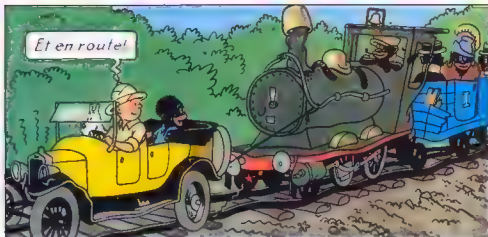

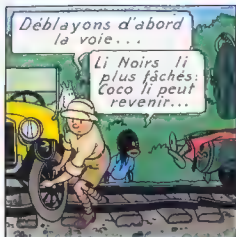

Mon Dieu! ce bruit...

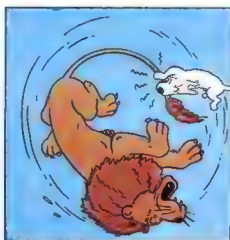

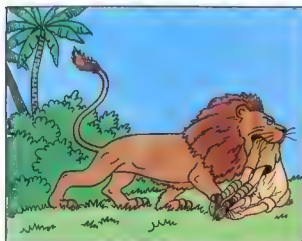

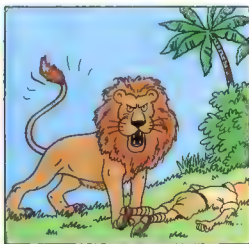

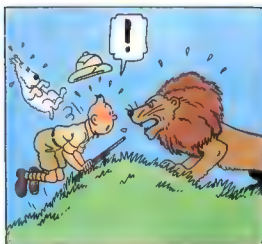

Horreur! ce train va nous broyer!...

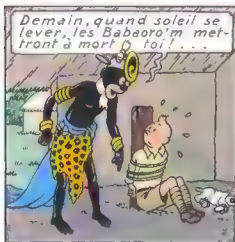

Et quelques instants plus tard...

Li prisonnier!... Li voilà!... A mort!...

Du calme, sorcier, du calme!...

Pan!  
dans le  
mille!...

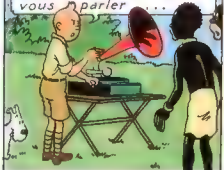

Y a-t-il encore des amateurs?... Personne?... Bon!...

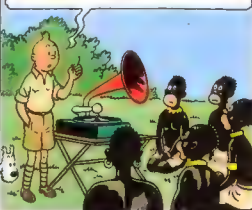

Personne, vraiment?...

Maintenant, chers amis, je vous conseille d'ouvrir toutes grandes vos oreilles : votre sorcier va vous parler...

Le voici. Écoutez - le...

Et moi, sorcier des Babaroro'm, moi tenir encore longtemps ce peuple ignorant et stupide sous domination de moi...

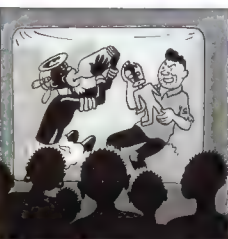

Li sorcier li dedans?... Li très méchant!

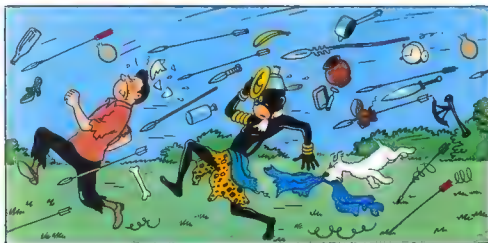

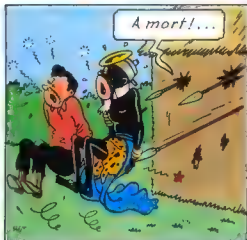

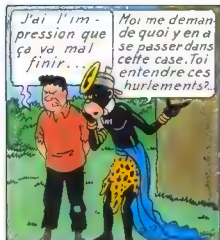

Hahahaha! si eux savoir comme moi me moquer d'eux et de leur stupide fétiche!...

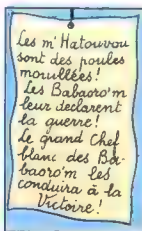

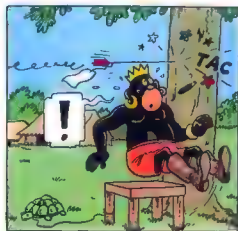

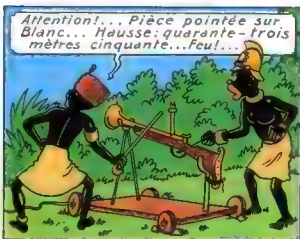

C'est pas tout. Entrez maintenant dans cette case. Vous allez voir...

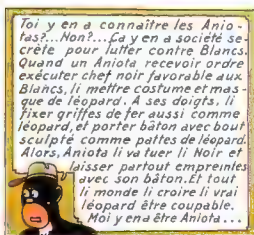

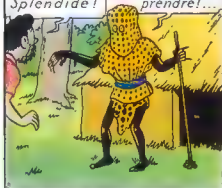

fa mon costume... Alors, ce soir, quand li Blanc li sera à l'affût... Toi comprendre!

Splendide!

A la nuit tombante...

Une belle nuit, pour l'affût...

Un léopard, ça ne doit pas être bien méchant... En somme, ce n'est qu'un gros chat...

C'est ici que le léopard vient, chaque nuit, se désaltérer...

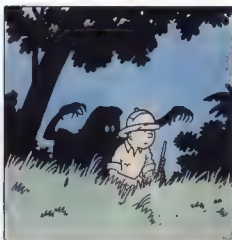

Il ne nous reste plus qu'à l'attendre...

Crois-tu que ce sera long?...

Aouah!... Je tombe de sommeil...

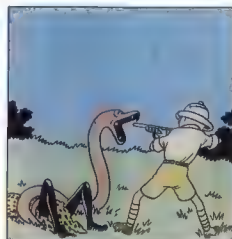

AU SECOURS!...

A moi!... Au secours!...

Un serpent!... Mon Dieu! sauvons ce malheureux Noir!

PAN

Tiens, quel bizarre accoutrement!

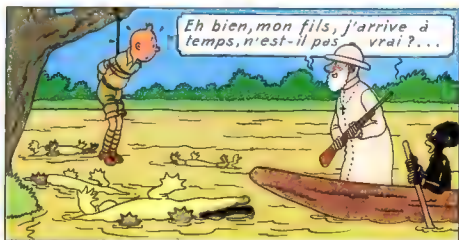

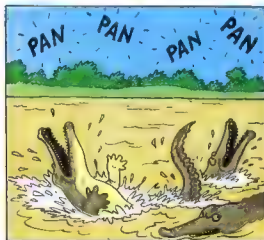

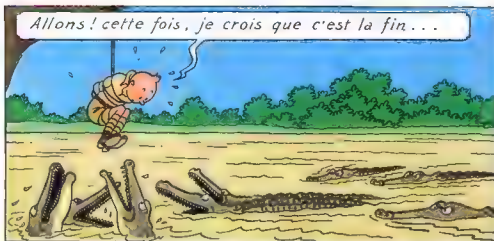

Sapristi! mais c'est notre sorcier!

Toi pas tuer moi!... Pitié, missie Blanc!... Toi pas tuer moi!...

Voilà ce que je fais des serpents, moi!

Mais... je ne me trompe pas... Vous êtes Tintin?... Que vous est-il arrivé?...

Votre carabine, mon Père, vite!... Milou est en danger!

Pourvu qu'il ne soit pas trop tard!...

Le bandit!... il m'a lâchement abandonné aux fauves!

Malédiction! Un boa!

A moi!... Au secours!...

Wouaah!

Courage, Milou!... Tiens bon!... J'arrive!...

Trop tard, mon Dieu! trop tard!

Mon pauvre Milou!...

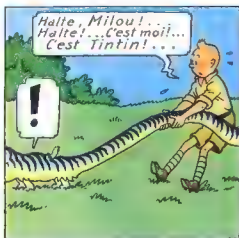

Mais... que vois-je?... Les pattes de Milou!...

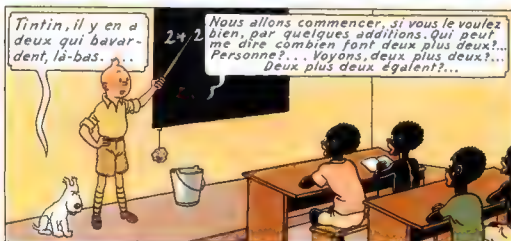

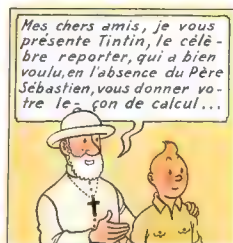

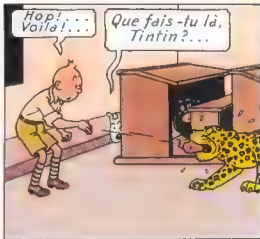

Ça, par exemple, c'est curieux!... Je ne m'étais jamais aperçu que j'avais des pattes!

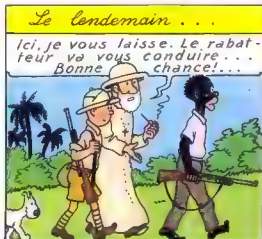

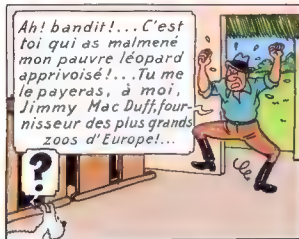

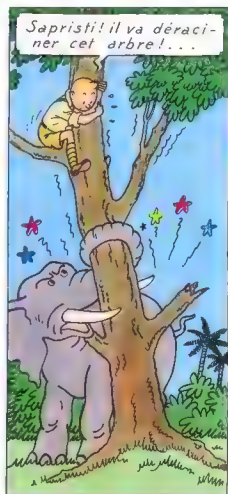

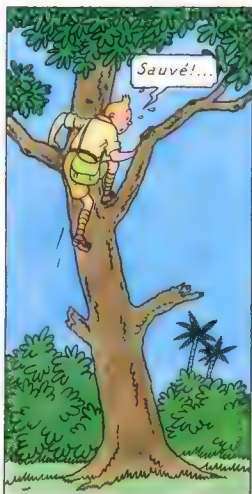

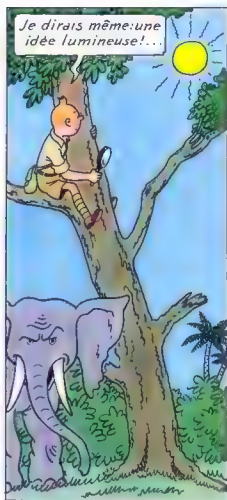

Diable ! il n'a pas l'air de vouloir lever le siège... Comment m'en débarrasser?...

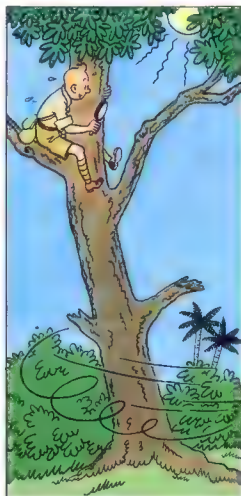

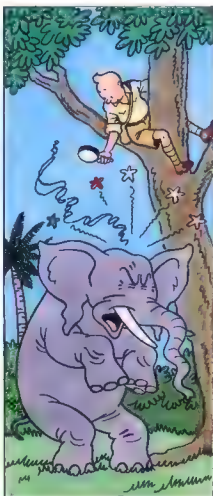

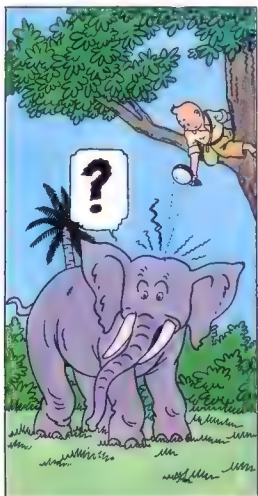

Si, du moins, je n'avais pas laissé tomber ma carabine... Voyons, fouillons notre musette... Ah! une loupe... J'ai une idée!...

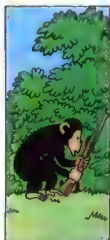

Je dirais même: une idée lumineuse!...

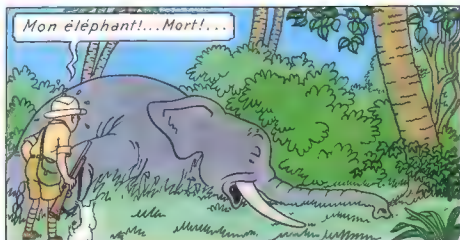

?

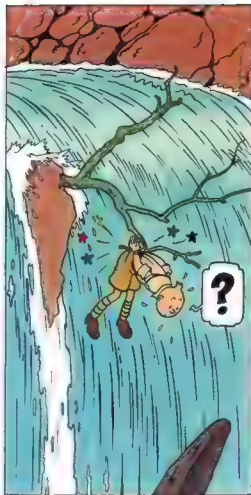

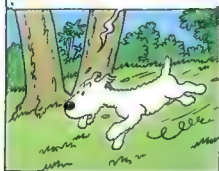

*Pendant ce temps...*

Vite, vite, à la Mission!... Il faut absolument sauver Tintin!...

Quoi?... Qu'y a-t-il?... Milou ici, seul!... Mais alors...

WOUAH!  
WOUAH!

Il a dû arriver malheur à son maître...

Fasse le ciel qu'il ne soit pas tombé à l'eau!... Le courant l'aurait entraîné vers la chute...

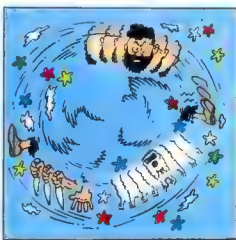

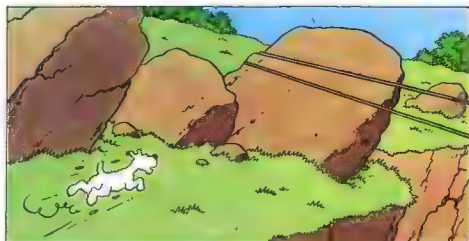

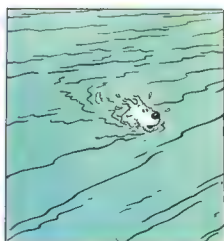

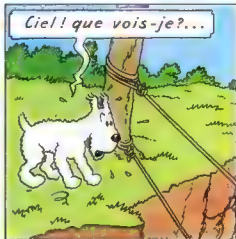

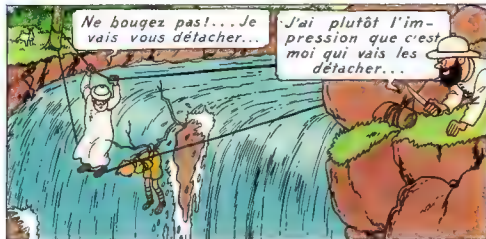

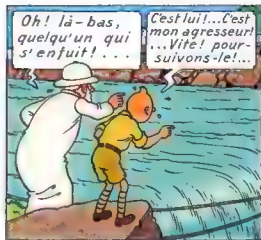

Le voilà!... Mon Dieu! comment le tirer de là?...

Il n'y a qu'une chose à faire: tendre deux cordes entre les rives. De cette façon, peut-être, pourrais-je le sauver...
